Annual Report

Our annual report to stockholders for the fiscal year ended December 31, 2017 will be concurrently provided to each stockholder at the time we send this proxy statement and the enclosed proxy card and is not to be considered a part of the proxy soliciting material.

Voting Information

Record Date; Quorum; Voting Rights

Your vote is important. Only holders of our common stock of record at the close of business on October 5, 2018 (“the Record Date”) are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. As of the Record Date, 15,559,658 shares of common stock were issued and outstanding. All stockholders as of the close of business on October 5, 2018 can attend the Annual Meeting. Each share of our common stock is entitled to one vote on each matter to be voted on at the Annual Meeting. Stockholders may not cumulate their votes. Your shares can be voted at the Annual Meeting only if you are present in person or represented by proxy. The presence, in person or by proxy of holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at our Annual Meeting. If a quorum is not present at the Annual Meeting, we expect that the Annual Meeting will be adjourned or postponed to solicit additional proxies. Your shares will be counted towards the quorum only if you submit a valid proxy or vote in person at the Annual Meeting.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. You may vote at the Annual Meeting if you are a stockholder of record (your shares are directly registered in your name on our books and not held through a broker, bank or other nominee). If you are a stockholder who owns shares through a nominee and you attend the Annual Meeting, you may vote in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the Annual Meeting. Follow the instructions from your broker, bank, or other nominee included with these proxy materials, or contact your broker, bank, or other nominee to request a proxy form.

Voting by Proxy

If you do not plan to attend the Annual Meeting, your shares can be voted if you are represented by proxy. Even if you plan to attend the Annual Meeting, we urge you to vote in advance. Please follow the appropriate instructions described below:

Stockholder of Record: Shares Registered in Your Name — If you are a stockholder of record, you may vote by mail by completing, signing, dating and returning the accompanying proxy card in the prepaid envelope provided or you may vote electronically via the Internet. To vote by Internet, go to www.investorvote.com/HPJ and follow the instructions to cast your vote. You will need to have your 15-digit control number located on your proxy card. Please do not return the enclosed paper ballot if you are voting by Internet. You may still attend the Annual Meeting and vote in person if you have already voted by proxy or given your proxy authorization.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent — Stockholders who hold their shares beneficially in “street name” through a nominee (such as a bank or broker) may be able to vote by telephone, the Internet or mail. To vote by Internet, go to <http://www.proxyvote.com>. You should follow the instructions you receive from your nominee (such as a bank or broker) to vote those shares.

Board Recommendation on Vote

Our Board recommends the following votes:

- (1) “FOR” the election of the five (5) nominees for director named herein; and
- (2) “FOR” ratification of the appointment of Marcum Bernstein & Pinchuk LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2018.

Voting Your Shares

Your shares will be voted in accordance with your instructions on your duly executed and returned proxy card. If you submit your proxy card but do not direct how to vote on each item, the persons named as proxies will vote your shares:

- (1) “FOR” the election of the five (5) nominees for director named herein;
- (2) “FOR” ratification of the appointment of Marcum Bernstein & Pinchuk LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2018.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted. The persons named as proxies will vote on any other matters properly presented at the Annual Meeting in accordance with their best judgment.

Votes Required

The directors will be elected by the affirmative vote of a plurality of the shares of our common stock present, in person or by proxy and entitled to vote on the election of directors, at the Annual Meeting (*Proposal 1*).

The affirmative vote of a majority of the votes cast of our common stock, present in person or by proxy, is required to ratify the appointment of Marcum as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (*Proposal 2*).

Abstentions and Broker Non-Votes

An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. With regard to the ratification of the Company’s independent registered public accounting firm (*Proposal 2*), you can vote to “abstain.” If you vote to “abstain,” your shares will be counted as present at the meeting for purposes of determining whether a quorum exists, but such abstention will have the effect of a vote “AGAINST” the proposal.

A “broker non-vote” occurs on a matter when a broker does not vote on a particular proposal because it has not received voting instructions from the beneficial owner and does not have discretionary authority to

vote the shares with respect to that proposal. Proposals are determined to be routine or non-routine matters based on the rules of the various regional and national exchanges of which the brokerage firm is a member. If you own shares through a bank, broker or other holder of record, you must instruct your bank, broker or other holder of record how to vote on non-routine matters in order for them to vote your shares so that your vote can be counted on such proposals. A broker non-vote is considered present at the meeting for purposes of determining whether a quorum exists but is not entitled to vote or counted as a vote cast on any non-routine matter presented at the Annual Meeting. The election of directors (*Proposal 1*), is deemed a non-routine matter. Consequently, absent instructions from you, your broker may not vote your shares on this proposal and broker non-votes will neither be counted toward the vote totals nor affect its outcome.

Abstentions and broker non-votes will count toward the presence of a quorum.

Revoking Your Proxy

You can revoke your proxy at any time before your shares are voted at the Annual Meeting by (i) sending a written notice of revocation to Corporate Secretary, Highpower International, Inc., Building A1, 68 Xinxia Street, Pinghu, Longgang, Shenzhen, Guangdong, 518111, People's Republic of China, (ii) submitting by mail or the Internet another proxy dated as of a later date, or (iii) voting in person at the Annual Meeting. Merely attending the Annual Meeting will not revoke your proxy. All revocations of your proxy must be received prior to the voting of your shares at the Annual Meeting. Voting in person at the Annual Meeting will replace any previous votes submitted by proxy. If the Annual Meeting were to be postponed or adjourned, your proxy would still be valid and will be voted at the postponed or adjourned meeting. You would still be able to revoke your proxy until it was voted.

Voting Results of the Annual Meeting

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of elections and published in a Current Report on Form 8-K, which we will file with the SEC within four business days after the Annual Meeting.

Solicitation of Proxies

We will bear the entire cost of this solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement and proxy card. The Company will solicit stockholders by mail. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries, and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. The Company may, in a limited number of circumstances, use the services of its directors, officers and regularly engaged employees to solicit proxies, personally or by telephone, without additional compensation.

Delivery of Proxy Materials to Households

"Householding" is a program, approved by the Securities and Exchange Commission (the "SEC"), which allows companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements and annual reports by delivering only one package of stockholder proxy material to any household at which two or more stockholders reside. If you and other residents at your mailing address own shares of our common stock in "street name," your broker or bank may have notified you that your household will receive only one copy of our proxy materials. Once you have received notice from your broker that it will be "householding" materials to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account. If you hold shares of our common stock in your own name as a holder of record, "householding" will not apply to your shares.

Other Business; Adjournments and Postponements

We are not aware of any matter to be presented at the Annual Meeting other than that described in this proxy statement. If, however, other matters properly are brought before the Annual Meeting, or any adjournment or postponement of the Annual Meeting, your proxy includes discretionary authority on the part of the individuals appointed to vote your common stock or act on those matters according to their best judgment, including adjournment or postponement of the Annual Meeting.

Adjournments or postponements may be made for the purpose of, among other things, soliciting additional proxies.

Interest of Executive Officers and Directors

None of the Company's executive officers or directors or any of their associates has any interest in any of the matters to be acted upon at the Annual Meeting, except, with respect to each director, to the extent that a director is named as a nominee for election to the Board.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board currently consists of five (5) directors whose terms expire as of the Annual Meeting. Accordingly, five (5) directors will be elected at our Annual Meeting. Our Bylaws give the Board the authority to establish, increase or decrease the number of directors.

Upon recommendation of the Nominating Committee, the Board has nominated Dang Yu (George) Pan, Wen Liang Li, T. Joseph Fisher, III, Jie Wang, and Ping (David) Li for election to our Board. If elected, each nominee will serve as a director until our annual meeting of stockholders in 2019 and until his or her successor is elected and qualified.

Unless you otherwise instruct us, your properly executed proxy that is returned in a timely manner will be voted for election of each of these five nominees. Each of the nominees currently serves on our Board and each has advised the Company of his willingness to serve as a member of the Company’s Board, if elected. If, however, any of these nominees should be unable or should fail to act as a nominee because of an unexpected occurrence, your proxy will be voted for such other person as the holders of your proxy, acting in their discretion, may determine. You can find information about the nominees below under the section “Board of Directors and Executive Officers.”

Vote Required

You may vote in favor or withhold your vote as to any or all of the nominees. If a quorum exists at the Annual Meeting, the affirmative vote of a plurality of the shares present, in person or represented by proxy, at the Annual Meeting and entitled to vote on the election of directors is required for the election of each nominee for director. There is no cumulative voting. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board are to be voted on this proposal, such shares will be voted in favor of all of the nominees. Shares that are withheld will have no effect on the outcome of the election of directors. Broker non-votes will not be counted and also will have no effect on the result of the vote.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” EACH OF
THE DIRECTOR NOMINEES.**

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has appointed Marcum Bernstein & Pinchuk LLP (“Marcum”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018. Marcum has served as our independent registered public accounting firm on September 30, 2011.

At the Annual Meeting, the stockholders are being requested to ratify the appointment of Marcum as our independent registered public accounting firm. Although stockholder ratification of the Audit Committee’s action is not required, our Board considers it desirable for stockholders to ratify such appointment. If the selection is not ratified, it is contemplated that the appointment of Marcum for 2018 may be permitted to stand in view of the difficulty and the expense involved in changing independent auditors on short notice, unless the Audit Committee finds other compelling reasons for making a change. Even if the selection is ratified, the Audit Committee and the Board may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders. The Company anticipates that a representative of Marcum will attend the Annual Meeting. The representative will have an opportunity to make a statement and to respond to appropriate stockholder questions.

Fees to Independent Registered Public Accounting Firm for Fiscal Years 2017 and 2016

The following table presents professional audit service fees and all the audit-related expenses rendered by Marcum, which reviewed the Company’s quarterly financial statements and audited the annual financial statements for the years ended December 31, 2017 and 2016.

Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total	<u>\$ 192,487</u>	<u>\$ 219,547</u>

(1) These were fees for professional services performed by Marcum for the review of quarterly financial reports and audit of annual financial statements in 2017 and 2016.

Pre-Approval Policy

In accordance with our Audit Committee Charter, the Audit Committee pre-approves all auditing services and permitted non-audit services, if any, to be performed for us by our independent auditor, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended, which are approved by the Audit Committee prior to the completion of the audit. The scope of the pre-approval includes pre-approval of all fees and terms of engagement, including those performed for purposes of providing comfort letters and statutory audits. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

Our Audit Committee regularly reviews and determines whether specific non-audit projects or expenditures with our independent registered public accounting firm potentially affect its independence.

REPORT OF THE AUDIT COMMITTEE

The information contained in this Report of the Audit Committee shall not be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing (except to the extent that we specifically incorporate this information by reference), and shall not otherwise be deemed "soliciting material" or "filed" with the SEC or subject to Regulation 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934 (except to the extent that we specifically request that this information be treated as soliciting material or specifically incorporate this information by reference).

The Audit Committee currently consists of three non-employee directors who are independent under the standards adopted by our Board and applicable NASDAQ Stock Market Rules and SEC regulations. The Audit Committee represents and assists the Board in fulfilling its responsibility for oversight and evaluation of the quality and integrity of the Company's consolidated financial statements, the Company's compliance with legal and regulatory requirements, the qualifications and independence of the Company's registered public accounting firm, Marcum, and the performance of the Company's internal controls and of its public accounting firm.

The Audit Committee has reviewed and discussed with the Company's management and internal finance staff and Marcum, with and without management present, the Company's audited consolidated financial statements for the fiscal year ended December 31, 2017 and management's assessment of the effectiveness of the Company's internal controls over financial reporting. The Audit Committee has also discussed with Marcum the results of the independent auditors' examinations and the judgments concerning the quality, as well as the acceptability, of the Company's accounting principles and such other matters that the Company is required to discuss with the independent auditors under applicable rules, regulations or generally accepted auditing standards (including the Statement on Auditing Standards No. 61, as amended).

In addition, the Audit Committee has received the written disclosures and the letter from Marcum required by applicable requirements of the Public Company Accounting Oversight Board regarding their communications with the Audit Committee concerning independence, and has discussed with Marcum their independence from the Company and management, including whether their provision of non-audit services to us is compatible with maintaining their independence, the scope of the audit and the fees paid to Marcum during the year.

Based on our review and the discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

AUDIT COMMITTEE

Ping (David) Li, Chairman
T. Joseph Fisher, III
Jie Wang

Vote Required

You may vote in favor or against this proposal or you may abstain from voting. Assuming a quorum is present at the Annual Meeting, the affirmative vote of a majority of all votes cast at the Annual Meeting is required to ratify the appointment of Marcum as our independent registered public accounting firm for 2018. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board are to be voted on this proposal, such shares will be voted in favor of the ratification of the appointment of Marcum as our independent registered public accounting firm. Abstentions will have the same effect as votes cast against this proposal. Broker non-votes are not expected because brokers and other nominees that do not receive instructions are entitled to vote on this matter. However, should a broker non-vote occur, it will not be counted as a vote cast and will have no effect on the result of the vote (i.e. it will be neither a vote “for” nor “against” the proposal).

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” RATIFICATION
OF THE APPOINTMENT OF MARCUM BERNSTEIN & PINCHUK, LLP

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

Subject to certain exceptions, under the listing standards of the NASDAQ Stock Market, LLC, a listed company's board of directors must consist of a majority of independent directors. Currently, our Board has determined that each of the non-management directors, T. Joseph Fisher, III, Ping (David) Li, and Jie Wang is an "independent" director as defined by the listing standards of the NASDAQ Marketplace Rules currently in effect and approved by the SEC and all applicable rules and regulations of the SEC. All members of the Audit, Compensation and Nominating Committees satisfy the "independence" standards applicable to members of each such committee. Our Board made this affirmative determination regarding these directors' independence based on discussion with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and transactions with the Company. The Board considered relationships and transactions between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of the Board's review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NASDAQ Stock Market Rules.

Board Committees

Our Board has three standing committees: an Audit Committee (our "Audit Committee"), a Compensation Committee (our "Compensation Committee"), and a Nominating Committee (our "Nominating Committee").

Audit Committee

We established our Audit Committee in January 2008. The Audit Committee currently consists of T. Joseph Fisher, III, Ping (David) Li, and Jie Wang each of whom is an independent director. Mr. Ping (David) Li, Chairman of the Audit Committee, is an "audit committee financial expert" as defined under Item 407(d) of Regulation S-K. The Audit Committee held four meetings during 2017. The purpose of the Audit Committee is to represent and assist our Board in its general oversight of our accounting and financial reporting processes, audits of the financial statements and internal control and audit functions. The Audit Committee's responsibilities include:

- The appointment, replacement, compensation, and oversight of work of the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services, including resolution of disagreements between management and the independent auditor regarding financial reporting.
- Reviewing and discussing with management and the independent auditor various topics and events that may have a significant financial impact on our Company, or that are the subject of discussions between management and the independent auditors.

Our Board has adopted a written charter for the Audit Committee. A copy of the Audit Committee Charter is available in the Governance Documents section of the Investor Relations page of the Company's website located at <https://ir.highpowertech.com/governance-docs>.

Compensation Committee

We established our Compensation Committee in January 2008. The Compensation Committee currently consists of Jie Wang and T. Joseph Fisher, III, each of whom is an independent director. Mr. Fisher is the Chairman of the Compensation Committee. The Compensation Committee did not hold meetings during 2017 but acted once by unanimous written consent. The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for the Company's directors, executive officers and key employees, and for the administration of our equity incentive plans, including the approval of grants under such plans to our employees, consultants and directors. The Compensation Committee also reviews and determines compensation of our executive officers, including our Chief Executive Officer. The Board has adopted a written charter for the Compensation Committee. A current copy of the Compensation Committee Charter is available in the Governance Documents section of the Investor Relations page of the Company's website located at <https://ir.highpowertech.com/governance-docs>.

Nominating Committee

The Nominating Committee currently consists of T. Joseph Fisher, III, and Jie Wang each of whom is an independent director. Mr. Fisher is the Chairman of the Nominating Committee. The Nominating Committee did not hold meetings during 2017 but acted twice by unanimous written consent. The Nominating Committee assists in the selection of director nominees, approves director nominations to be presented for stockholder approval at our annual general meeting and fills any vacancies on our Board, considers any nominations of director candidates validly made by stockholders, and reviews and considers developments in corporate governance practices. Our Board has adopted a written charter for the Nominating Committee. A current copy of the Nominating Committee Charter is available in the Governance Documents section of the Investor Relations page of the Company's website located at <https://ir.highpowertech.com/governance-docs>.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the "Code"), which complies with Item 406 of Regulation S-K and applies to all directors, officers and employees. The purpose of the Code is to promote honest and ethical conduct, proper disclosure of financial information in the Company's periodic reports, and compliance with applicable laws, rules, and regulations. The Code is posted in the Governance Documents section of the Investor Relations page of the Company's website located at <https://ir.highpowertech.com/> and is available in print, without charge, upon written request to the Company at Highpower International, Inc., Building A1, 68 Xinxia Street, Pinghu, Longgang, Shenzhen, Guangdong, 518111, People's Republic of China. The Company intends to post promptly any amendments to or waivers of the Code on its website.

Attendance of Directors at Board Meetings and Annual Meeting of Stockholders

During the year ended December 31, 2017, our Board met four times. Each of the current directors who was on the Board during 2017 attended at least 75% of the aggregate number of meetings held by the Board and those committees of the Board on which he served during 2017.

The Company does not have a policy requiring its directors to attend the Annual Meeting of Stockholders. All directors attended our 2017 Annual Meeting of Stockholders.

Board Leadership Structure

The Company does not have a policy regarding whether the Chairman and Chief Executive Officer roles should be combined or separated. Rather, our Board retains flexibility to choose its Chairman in any way that it deems best for the Company at any given time. The Company currently has a combined Chairman and CEO position. Dang Yu (George) Pan serves as our Chairman of the Board and Chief Executive Officer. The Board believes that Dang Yu (George) Pan's in-depth knowledge of the battery industry and of the businesses and operations of the Company best equips him to lead Board meetings and focus the Board discussions on the most critical issues, as well as fostering greater communication between the Company's management and the Board.

The Board believes that other aspects of the current leadership structure ensure effective independent Board leadership and oversight of management. For example, the independent directors meet in executive sessions without the CEO or other members of management present. Executive sessions are led by our lead independent director Mr. Ping (David) Li. An executive session is typically held in conjunction with each regularly scheduled Audit Committee meeting and other sessions may be called by the Audit Committee Chairman in his own discretion or at the request of the Board. The independent directors met four times in executive session in 2017.

The Board's Role in Risk Oversight

Our Company faces a variety of risks, including investment risk, liquidity risk, and operational risk. Our Board believes an effective risk management system will (1) timely identify the material risks that the Company faces, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or committee thereof, (3) implement appropriate and responsive risk management strategies consistent with the Company's risk profile, and (4) integrate risk management into Company decision-making. It is management's responsibility to manage the day-to-day risks that we face and bring to the Board's attention the most material risks to the Company.

The Board has oversight responsibility of the processes established by management to report and monitor systems for material risks applicable to the Company, with the oversight of certain risk areas delegated to board committees. For example, our Compensation Committee is responsible for assessing risks associated with our compensation programs and arrangements. Our Audit Committee is responsible for overseeing management of certain financial, accounting and regulatory risks. The Board encourages management to promote a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. The Board also works, with the input of the Company's executive officers, to assess and analyze the most likely areas of future risk for the Company.

The Director Nomination Process

The Nominating Committee considers nominees from all sources, including stockholders. Stockholder nominees are evaluated by the same criteria used to evaluate potential nominees from other sources. Our Board will consist of a majority of directors who qualify as "independent" directors within the meaning of the listing standards of the NASDAQ Stock Market, as the same may be amended from time to time. Minimally, nominees should have a reputation for integrity, honesty and adherence to high ethical standards. They should have demonstrated business experience and the ability to exercise sound judgment in matters related to the current and long-term objectives of the Company, and should be willing and able to contribute positively to the decision-making process of the Company. In addition, a nominee should not have, nor appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of the Company or to fulfill the responsibilities of a director.

Although the Board does not maintain a formal policy regarding diversity, the value of diversity on our Board is considered and the particular or unique needs of the Company shall be taken into account at the time a nominee is being considered. The Nominating Committee seeks a broad range of perspectives and considers both the personal characteristics (gender, ethnicity, age) and experience (education, industry, professional, public service) of directors and prospective nominees to the Board. Our Nominating Committee and Board believe that a diverse representation on the Board fosters a healthy, comprehensive, and balanced deliberative and decision-making process that is essential to the continued effective functioning of the Board and continued success of the Company.

Additionally, the Nominating Committee considers the respective qualifications needed for directors serving on various committees of the Board, and serving as chairs of such committees, should be taken into consideration. In recruiting and evaluating nominees, the Nominating Committee considers the appropriate mix of skills and experience and background needed for members of the Board and for members of each of the Board's committees, so that our Board and its committees have the necessary resources to perform their respective functions effectively. The Nominating Committee also believes that a prospective nominee should be willing to limit the number of other corporate boards on which he or she serves so that the proposed director is able to devote adequate time to his or her duties to the Company, including preparing for and attending Board and committee meetings. In addition, the re-nomination of existing directors is not viewed as automatic, but based on continuing qualification under the criteria set forth above. In addition, the Nominating Committee will consider the existing director's performance on the Board and on any committee on which such director serves, which will include attendance at Board and committee meetings.

Director Nominees by Stockholders

The Nominating Committee will consider nominees recommended in good faith by our stockholders as long as these nominees for the appointment to the Board meet the requirements set forth above. Possible candidates who have been suggested by stockholders are evaluated by the Board in the same manner as are other possible candidates. Stockholders wishing to suggest a qualified director candidate for review and consideration by the Nominating Committee must provide a written statement to our corporate secretary that includes the following information: a statement that the proposing stockholder is recommending a candidate for consideration by the Nominating Committee; the candidate's credentials and contact information; and the candidate's written consent to be considered a candidate. Such information can be sent to Highpower International, Inc., Building A1, 68 Xinxia Street, Pinghu, Longgang, Shenzhen, Guangdong, 518111, People's Republic of China, Attention: Corporate Secretary.

The Nominating Committee may request further information about the stockholder recommended candidate in order to comply with any applicable laws, rules or regulations or to the extent that such information is required to be provided by such stockholder pursuant to any applicable laws, rules or regulations. If a stockholder submits a director recommendation in compliance with the procedure described above, the Nominating Committee will conduct an initial evaluation of the proposed nominee and, if it determines the proposed nominee may be a qualified candidate, the Nominating Committee and one or more members of our management team will interview the proposed nominee to determine whether he or she might be suitable to be a director. If the Nominating Committee determines the proposed nominee would be a valuable addition to our Board, based on the criteria for board membership described above and our Board's specific needs at the time, it will recommend to our Board such person's nomination. In connection with its evaluation, the Nominating Committee may request additional information from the proposed nominee and/or the proposing stockholder.

Family Relationships

There are no family relationships among any of the officers and directors.
